

Sales & Services Provider

Mechanical Products

- Mechanical Fittings
- Flanges
- Orifice Plates
- Manifold Assemblies
- Thermowells

Automation & Process Control

- Analytical Instruments ➤
- Process Instruments ➤
- Flow Measurement ➤
- Pressure Measurement ➤
- Temperature Measurement ➤
- Level Measurement ➤
- Recorders & Controllers ➤
- Burner Management Systems ➤
- DCS & PLC Systems ➤

Calibration Instruments

- Hand Held Programmable
- HART Communicators
- Dead Weight Testers
- Temperature Baths
- 4 to 20 mA Current Sources
- RTD / Thermocouples Simulators

Industrial Services

- Installation and Commissioning
- Consultancy Services
- Supply Chain Management

Office # 14/C-1, 3rd Floor, Taj Mahal Plaza,
6th Road Chowk Murree Road Rawalpindi
